

# OPEN HOUSE

Saturday May 16, 2026

10am-12pm

RSVP required for directions

Come join us at the barn! Learn about the Horse & People Project and glimpse how interacting with horses can help us communicate effectively with humans. Observe a round pen demo and **start taking steps** towards better communication!

## Maria Alessandri, MBA CLC

I love introducing people to the magic of horses! My work is rooted in self-help principles, **empowering others** to find clarity and growth through connection with horses.

"I learned a lot about myself and I'm excited to make adjustments...GO! you will not be disappointed! -MD
